

Winter Spring 2012 Lunch Enrichment Classes

Lunchtime enrichment programs are a great way to extend the preschool day. Classes help children discover their interests and talents with fun movement and learning activities. Hot lunch is included and care is provided during the transition from program to program.

ALPHABET SOUP

Connecting letters of the alphabet with everyday preschool activities encourages letter recognition, beginning phonetics and prereading skills. Hot lunch is included.

STORY and PLAY

The story and play enrichment provides time for literacy, as well as time to play in the gym. This program supports prereading skills, as well as gross motor development. Hot lunch is included.

GYM GAMES

The gym program is designed to promote health and fitness as a life-long habit in a positive and nurturing environment. Through fitness activities, games, relays, sports and song; this program builds strong muscles, balance, coordination, agility and social skills. Children should wear gym shoes and comfortable clothing. Hot lunch is included.

MUSIC

Music helps children develop creativity, imagination and self-esteem, and it sets the stage for later math learning. Music class introduces music and movement activities, musical instruments and rhythm. Hot lunch is included.
